# Street Rehabilitation Program

CITY OF CINCINNATI

Department of Transportation and Engineering  
City Hall, 801 Plum Street 45202  
Visit us at: [www.cincinnati-oh.gov](http://www.cincinnati-oh.gov)

*Dear Cincinnati Resident:*

*The Street Rehabilitation Program is one very important way that the City of Cincinnati is working to improve the quality of life in our neighborhoods. It is through this program that we continue to invest in our communities and make them safer by improving the quality of our street system.*

*The streets that are scheduled for rehabilitation under the 2007-08 Program are listed in this brochure. Every neighborhood will have some of its streets paved at least once every three years based on extensive evaluation by an outside consultant under the direction of city engineers.*

*As the City undertakes the process of improving these streets, you may encounter raised manholes or uneven roadways until all work is completed. We ask for your patience, and request that you observe caution when driving on streets under construction. Once work is completed, we believe that you will be pleased with the results for years to come.*

*The Street Rehabilitation Program is just one more way that the City of Cincinnati provides valuable services that make a difference in our community.*

*Sincerely,*

*Milton R. Dohoney Jr.*  
Milton R. Dohoney Jr., City Manager

*Mark Mallory*  
Mark Mallory, Mayor

MAJOR ROUTES PROGRAM	LIMITS
Central Parkway	12th Street to Liberty Street
Gilbert Avenue	Court Street to Elsinore Place
Glenway Avenue	Warsaw Avenue to Shirley Place
Montgomery Road	Brewster Avenue to Norwood Corp Line
Montgomery Road	Cypress Way to Silverton Corp Line

Verdin Avenue	Epworth Avenue to Boudinot Avenue	
Viki Terrace	McKinley Avenue to North Terminus	
Westbrook Drive	La Feuille Avenue to Boudinot Avenue	

### About the Street Rehab Program

The City's Street Rehabilitation Program handles street resurfacing and significant curb repairs. This work includes grinding off the old roadway surface, resurfacing the pavement with new asphalt, and repairing/replacing curbs where necessary. Residents may notice that work is not continuous from start to finish on any given street, but includes breaks for an extended period while the contractor performs work on other roads. This is part of the scheduling to minimize costs. The job on a particular street is not complete until the pavement is fully replaced and a smooth driving surface is restored. Every community in the City of Cincinnati will be targeted for roadwork on a three-year rotation under the Street Rehab Program. The streets listed in this brochure are scheduled to be rehabilitated during the 2007 and 2008 construction seasons.

For more information on the **Street Rehabilitation Program** contact Dick Cline at [dick.cline@cincinnati-oh.gov](mailto:dick.cline@cincinnati-oh.gov) or at 352-6235.
